## Yield10 Bioscience, Inc. to Webcast, Live, at VirtualInvestorConferences.com April 6

**Company invites individual and institutional investors as well as advisors to attend interactive real-time [VirtualInvestorConferences.com](http://VirtualInvestorConferences.com)**

WOBURN, Mass., April 3, 2017 /CNW/ -- **Yield10 Bioscience, Inc.** (NASDAQ: YTEN), a company focused on developing new technologies to achieve step-change improvements to crop yield to enhance global food security, today announced that Oliver Peoples, Ph.D., President and Chief Executive Officer of Yield10, will present live at [VirtualInvestorConferences.com](http://VirtualInvestorConferences.com) on April 6, 2017.

**DATE: Thursday, April 6, 2017**

**TIME: 10:45 AM EDT**

**LINK: <https://tinyurl.com/0406prepr>**

This will be a live, interactive online event where investors are invited to ask the company questions in real-time - both in the presentation hall as well as the association's "virtual trade booth." If attendees are not able to join the event live on the day of the conference, an on-demand archive will be available for 90 days.

It is recommended that investors pre-register and run the online system check to save time and receive event updates.

Learn more about the event at [www.VirtualInvestorConferences.com](http://www.VirtualInvestorConferences.com).
